City of Santa Clarita
 City Council

To whom it may concern,

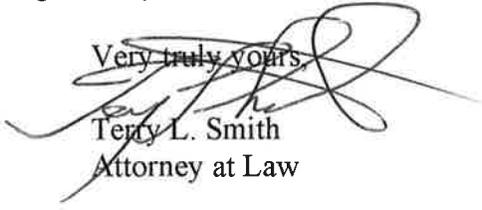

I have known Sean Weber as a business associate for over the past 10 years. During that period of time I realized Sean is a very sincere person. Sean was raised in Santa Clarita and has a love for the community.

As a former Ventura County Deputy Sheriff and now an attorney, I have obtained the ability to judge people's sincerity and personalities. Sean's sincerity will be a great addition to your council and he diligently work to improve the city.

Sean held the position of Chief Information Officer of our firm when he left to become an entrepreneur. While working at Floyd, Skeren & Kelly, LLP he organized and built our case management system. As part of the committee to implement the system, I worked closely with Sean. Sean was able to recognize the needs of the user and build those needs into the system. Thus, Sean would be able to understand the issues of the City.

Sean can organize and work well with others to develop and implement city project before the council. I strongly support Sean as he would be a great City Counsel member.

To whom it may concern:

When I first met Sean Weber over 12 years ago, I was impressed by 3 very distinct qualities. That impression is what I reference today as I share my recommendation letter to the City Council Board.

Maturity and wisdom, coupled with an unwavering work ethic, and genuine passion to help others.

Often we gain wisdom with the benefit of age and time; Sean has the intuitive ability to absorb from his experiences and from others, and produce results from a place of wisdom and perception. Making Sean invaluable not only in team environments but when he is called upon to lead. My experience with Sean in multiple and diverse situations, is that he consistently comes to the table with an openness to listen, and commitment to make things happen.

An extraordinary work ethic, coupled with competency, has allowed my business relationships with Sean and projects we have run together to produce highly productive results. Sean operates with efficiency and effectiveness. He is unassuming, works with dedication and discipline, and gets things done!

To me, Sean's highest attribute is his genuine passion to help others. This seems to center him; and shows up in the smallest of projects or major agendas. He is definitely an individual looking at the big picture, always factoring in the value of the human element. Sean knows that when you empower and care for others, a force is created that results in good things. Sean is what I call a natural leader; people like working with him and he elicits authentic participation.

In recommending Sean for the City Council Board, I can do so whole heartedly. With the personal knowledge and experience of working with him, and what over the years has crossed over into a personal relationship... that often happens when we discover amazing, good people in our world.

Sincerely,

Dear Sir or Madam:

RE: Sean Weber – Letter of Recommendation

Sean Weber has asked me to provide a letter of recommendation in support of his application for a position on the City of Santa Clarita Council.

I have known and worked with Sean in a professional setting for nearly a decade. For a great portion of that time we worked side by side in the same workgroup. At the time I was his direct supervisor.

He was later promoted to the Director of Information Technology, a position he held until he sought work elsewhere.

I found him to be extremely bright and capable. He could quickly grasp the requirements projects that were assigned to him and our workgroup, would quickly formulate a workflow to get the project underway, and execute that workflow with great competence and stamina.

He was very reliable. I could count on him on a daily basis, and on many occasions our projects were mission critical. I do not recall a single instance where we were not successful in the management of our projects and tasks.

When he later was elevated to Director of IT, he took on an enormous responsibility which he managed effectively.

Letter of Reference

To City of Santa Clarita and To Whom It May Concern:

As an elected Trustee of the Paso Robles Joint Unified School District in Central CA and as a member of our City, County, School Alliance Team, I know the importance of a member of our Board possessing the ability to work not only with the families and residents of our community but within the Board as a team. A team member must be able to translate the needs of the community into effective action items that are recognized as necessary by the Mayor, the Council, City Manager and various sitting committees. This takes talents of problem solving, effective presentation, oration, and negotiation. Mr Weber possesses all this skills.

I have known Mr Weber for sometime. For me he has been there when I need him, presenting innovative solutions to problems on our campuses. He did this through reliable problem analysis, offering information technology solutions to safety concerns in our community and our classrooms. He is a breath of change as we march into the next century, making decisions on how we can use technology to insure the safety, growth, and innovation of our communities.

To this end, I have no hesitancy to recommend Mr Sean Weber for the office of City Councilman for Santa Clarita or for any endeavor he chooses to explore. I only wish he was available for our community of Paso Robles.

Sincerely,

Dr. Kathleen Hall

To Whom it May Concern,

I am writing this letter of recommendation for Sean Weber in his bid to be on the City Council Board. First of all, I would be remiss in not pointing out Sean's strong moral compass and commitment to honesty and ethics. In my experience with Sean over the last decade (plus) he has illustrated an altruistic commitment to truth.

Sean has always demonstrated compassion, empathy and loyalty to others who are less fortunate or in need. His youth, maturity, intelligence and work ethic would serve the City Council and its constituents. Despite his age, he has the wisdom and presence of a person much older. Because of this, and his excellent communication skills, he would be an indispensable voice to the younger citizens, as well as the older ones such as me, of the City of Santa Clarita.

I wholeheartedly support and recommend Sean Weber to run for the vacant position on the Santa Clarita City Council.

Should you have any questions or should you wish to discuss Sean in more detail, please feel free to call,

Very truly yours,

FLOYD SKEREN & KELLY, LLP

LETTER OF RECOMMENDATION

To the City of Santa Clarita Council:

Although I currently reside in Palmdale, I have lived for thirty years in Valencia and would like to recommend Mr. Sean R. Weber to the vacant position of city councilman. During that time I saw Valencia Boulevard grow from onion fields and cow pastures to a thriving urban area replete with a large up-to-date mall. There have also been many cultural changes in Santa Clarita, from a population comprised mostly of Caucasians to a multi-cultural city.

The reason I am recommending Mr. Weber is he is the perfect candidate to bridge both a *cultural gap* and a *generational gap on the council*. He *communicates effectively with all* cultures and all generations. This is a very rare quality. The future of the city is with the youth and improved technology and Mr. Weber, although young, has the maturity and knowledge to be of invaluable assistance with both.

While living in Valencia, I was a co-director for the Emergency Winter Shelter (Bridge to Home) for a period of nine years. During this time, Mr. Weber, whom I have known for almost twenty years, assisted on many occasions, from taking reports to Los Angeles to help with mundane tasks such as setting up and taking down the shelter each year. Mr. Weber was always available to help with any project that needed to be done or problem that needed to be handled for the homeless.

While serving as the Chief Information Officer with the law firm of Floyd, Skeren & Kelly, Mr. Weber proposed and implemented several initiatives to provide structure and accountability their business processes. These initiatives both reduced overhead and improved the availability and reliability of the communications and billing infrastructures.

During the spring of 2016 Mr. Weber provided Pro Bono consulting the Hart High School District on modernizing their communication and security infrastructure. This included encouraging "hands on" industry experts to meet with district personnel.

The community would be lucky to have such a willing and cooperative Council member.

Sincerely,

Barbara Preheim

Mayor and City Council, City of Santa Clarita

RE: SEAN WEBER/LETTER OF RECOMMENDATION

Dear Mayor and City Council:

I write this letter to confidently recommend Sean Weber for one of the most prestigious positions in your City. As a family friend of Mr. Weber and his parents for nearly 30 years, I have seen this young man grow and mature from a child to the leader he currently is. As his employer, direct supervisor, and the one who hired him, I have seen his ability as a reliable project manager and an I.T. visionary. As an Eagle Scout and one who sits on the Ventura County Boy Scout Board of Directors, I have met many young men and adults, the likes of which align perfectly with Mr. Weber's morals and character.

There are but just a few people who come into our lives and allow us to credibly vouch for them. Sean Weber is one such individual. As his friend, confidant, employer, and colleague, I do not hesitate when I say the City Council would be honored and blessed to have Mr. Weber on its team. Honesty, integrity, and loyalty are just some of the many pillars that guide Mr. Weber's day-to-day life. When coupled with his youth, energy, and technology-driven passion, projects are no longer insurmountable and teamwork is no longer a dream. I worked closely with Sean for over a decade where he was my law firm's Director of I.T. and in charge of 13 offices throughout California and Nevada that employed over 250 lawyers and support staff – all while in his 20s and early 30s. Don't let his age fool you; this gentleman is years beyond. And on that note, my opinion on the value of our young people can be no stronger than anyone else's. I advocate every day for the energy and passion that is often seen in young people and often lost in older people. Make no mistake; both are imperative. At this juncture for Santa Clarita, however, the city has an opportunity of a lifetime to appoint a gentleman who will bring the passion, the drive, the visionary knowledge, and the integrity that the city has always demanded. Although I do not live there, I have real estate investments, and I am glad to do business there.

Mr. Weber puts himself before others. Mr. Weber serves others before he serves himself. Mr. Weber is a leader. By applying the core principles mentioned above in his daily life, he is a successful entrepreneur, a loved family member, and a friend. What he deserves now is to serve your city in a capacity that will make the Mayor, the Council, and its citizens proud. I am both honored and humbled to recommend Mr. Sean Weber for the City Council vacancy.

Sincerely,

Todd T. Kelly, Esq.

Re: Appointment of Sean Weber to Santa Clarita City Council

Dear Council Members:

I am writing this letter on behalf of Sean Weber for the vacant Santa Clarita City Council seat. In my five (5) plus year of professional and personal experience with Sean, he has always and consistently carried himself with an extremely high degree of humility and self-confidence rarely seen in today's society.

As a life long Santa Clarita resident and business owner, Sean Weber knows the importance that job creation and growth has on the City. As chief information officer of a prominent law firm, chief operating officer of a multistate technology company, and now most recently starting his own lawyer referral business with an office in the heart of Santa Clarita, Sean has over a decade of valuable business experience. Sean understands both large and small business, their special needs and the value they provide their communities.

Sean is an extremely motivated individual. Sean possesses the unique ability to come up with unique but cost effective solutions to challenging problems. Sean's ability to network and his extensive contact base makes him extremely resourceful in tackling any job with the upmost efficiency. In my working with Sean, I have found him to be tremendously reliable and enthusiast, never hesitating to volunteer for any task, and has always gone above and beyond in anything he tackles.

Further, Sean's background in technology provides him with the ability to engage today's youth. Young people who participate actively in their community early on are more likely to become engaged citizens and voters, which further expands the economic and social development of Santa Clarita.

In my opinion, Sean possesses all the qualities to be an effective and outstanding member of Santa Clarita's City Council and it is without hesitation that I strongly recommend him. I have always found Sean to be a superb individual, characterized with integrity and loyalty, who has a tremendous civil sense for his City and his fellow human beings.

Very truly yours,

To Whom It May Concern,

I would like to personally recommend Sean R Weber for the open seat in the Santa Clarita City Council.

I first moved to the Santa Clarita Valley in 1989. I attended Sky Blue Mesa Elementary School, Sierra Vista Junior High, and graduated with honors from Canyon High School. Over the years I have seen the city of Santa Clarita grow and prosper from the development of the Valencia Town Center to the many new homes and business' that have sprung up everywhere. I am very passionate about the city of Santa Clarita. I have known Mr. Weber for over 17 years now. I feel that he would be the perfect candidate for the position of city councilman. Mr. Weber is a long time resident of Santa Clarita and shares my same love and passion for the city. I feel that Mr. Weber's conservative values paired with his passion, enthusiasm and forward thinking will benefit the city. He will bring a fresh set of ideas to an already growing and developing city to help drive Santa Clarita towards a prosperous and safe future.

Sincerely,

Letter of Recommendation

To the City Council of the Santa Clarita Valley, City Residents, and To Whom It May Concern,

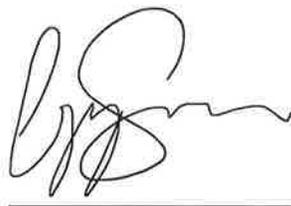

My name is Gregg Swanson, a Veteran and Non-Commissioned Officer of the United States Army and Operation Iraqi Freedom and I am writing this communication in regards to Mr. Sean Weber, a 35 year resident of the Santa Clarita Valley. I am proud to have this opportunity to tell you about why I believe Mr. Weber would be an exemplary representative of the City of Santa Clarita and how his personal and professional experience would be beyond beneficial to the council and the city itself.

I have personally known Mr. Weber for 20 years now and I am continually impressed with his advancement in his field of profession in regards to Information Technology and Data Security. Today, Cyber Security is an essential component of business and our society as a whole and Mr. Weber has expertise that I believe is unparalleled to others in his field. Mr. Weber has held positions such as CIO and CFO with the law firm Floyd, Skeren, and Kelly LLP in the San Fernando Valley, Owner of SeDan Group, and Co-Founder of Legal Knock LLC, a mobile application. I believe Mr. Weber possesses a professional skill set that the City of Santa Clarita needs to stay current in todays age of technology.

As for Mr. Weber's personal character, I could not recommend an individual that is more dedicated to his family and community. Mr. Weber's moral compass has always pointed towards honesty, loyalty, and compassion. Over the course of two decades Mr. Weber has always been there for his family and friends, to include myself on more than many occasions, showing his dedication to relationships and intestinal fortitude.

For the position of City Councilman, I could not think of another resident of the Santa Clarita Valley that is more qualified in his field of profession and of moral character than Mr. Sean Weber.

Gregg L Swanson Jr. (SGT)
U.S ARMY (VET)

To Whom It May Concern,

I recommend Sean Weber for Santa Clarita City Council. I trust Sean to help lead the city through the transition to the next generation of Santa Clarita residents. Sean has always demonstrated leadership and intelligence. Which I believe are keys characteristics to a leader here in The Santa Clarita Valley. I grew up in Santa Clarita and currently work as a Realtor here in Santa Clarita. I would like to see the City Council represent the growing number of young, business people in the area. Sean would be the perfect person I could think to lead that group.

Thank you,

Daniel Weber

To Whom It May Concern:

I write this letter in strong support of Mr. Sean Weber with respect to his application seeking appointment to the Santa Clarita City Council.

I first met Sean just prior to my joining Floyd, Skeren & Kelly, LLP in 2009. I cannot express strongly enough how superbly qualified Sean is with regard to his knowledge and expertise in technology, communications, business processes, and administration.

Sean is not just a person with impeccable moral and ethical standards; he is likeable, affable, and charismatic. His attention to even the most minute detail and ability to create solutions is unmatched in anyone I have ever met. He is truly a special person. He has a remarkable ability to see several steps ahead and anticipate consequences for any given course of action. He is certainly wise beyond his years. I have no doubt that he would be a tremendous asset to the Council, residents, city employees and administrators. Simply put: whatever Sean touches, improves.

The City of Santa Clarita will be a better place to live and the City government will be more responsive to the needs of its inhabitants if Sean Weber is give a chance to serve in the capacity he is seeking.

I am available at anytime to further discuss Sean or answer any additional questions.

To the Members of the City Council of Santa Clarita,

This letter is to recommend Sean Weber for appointment to the Santa Clarita City Council. Sean's family moved from North San Fernando Valley to Santa Clarita when he was a child. Sean is very caring, compassionate, honest and extreme intelligent individual, who is passionate about the city that he grew up in.

This passion, excellent communication skills, integrity and creativity will make him a valuable addition to the City Council.

Sincerely,

Victor Swiecicki, CFO

25 years resident of Santa Clarita

TO: The Santa Clarita City Council, it's residents, and to whom it may concern:

I am pleased and honored to provide my strongest recommendation of Sean Weber for appointment to the open position on the Santa Clarita City Council.

I have known Sean as a work associate and as a personal friend for approximately 10 years. I began my relationship with Sean as a work associate at a prior law firm. During those approximately 10 years I observed his strong leadership skills, creativity, intelligence and hard work ethic. In his position as the Director of Information Technology and CFO at our large multi-State law firm, Sean consistently demonstrated his dedication to the firm goals and worked long and tireless hours to successfully upgrade our I.T. capabilities and to maintain our firm's competitive edge. Sean consistently demonstrated the ability to accomplish tasks as part of a team.

During my working relationship with Sean I observed his ability to listen to and address concerns of partners, subordinates and work associates on subjects involving complex I.T. issues, as well as demonstrating his knowledge of our firm's diverse multiple specialty practice in areas involving both California and Nevada State Laws. Sean demonstrated a strong ability to learn quickly and to apply his knowledge to his duties.

While I am absolutely certain that Sean possesses the energy, skill, aptitude and confidence to succeed in this position, it is Sean's strong devotion to family and friends that is perhaps his most notable quality. It is through his strong family and business relationships that Sean has developed his solid moral integrity and, as a result, he has continuously earned the praise of colleagues, clients, friends and other community leaders. It is also the reason that Sean has maintained strong relationships with many of his former work associates, employers and peers.

I am confident that Sean will serve effectively as a City Councilmember for Santa Clarita and will be an incredible asset to the residents of your City.

Please feel free to contact me if you have any questions.

Respectfully,

Christopher D. Lear, Esq.
